Foster the vitality and integrity of the Evington area while respecting and protecting the natural environment and our quality of life.

December 2010

An Open Letter to friends of ECA

SUBJECT: Donation Request

Greetings;

Evington Community Association is a non-profit public charity formed to provide encouragement and support to citizens of the Evington region.

We are developing a partnership network of individuals and business entities that will support our association work through their donations of materials, products, time, and/or monies. We extend an invitation to you to partnership with us in our programs for the betterment of the Evington community. Donations are used entirely within our programs. There are no salaries or compensation to officers or others within the association. Our meeting space is provided free of charge.

Throughout the year we will have other activities defined and implemented that will allow you as business owners/operators to publicize your business and announce your support of the ECA in working toward the betterment of the community. Your tax deductible donations are encouraged in support of our charitable community actions.

Your individual or business membership in ECA is encouraged as well. You may contact us via email, info@eca-va.org, or postal mail for more information. ECA also sponsors a linked web site that acts as a community bulletin board and provides relevant information and educational opportunities to the citizenry at www.evingtonva.com.

Questions or comments can be directed to one of the officers of the association listed below. Further details may be found through the GuideStar.org website. As well, monetary donations may be made there securely. Thank you for your interest and support.

Warmest Regards.
